A. Summary and Classification of Claims and Interests.

This Section classifies Claims and Interests, except for Administrative Claims and Priority Tax Claims, which are not classified, for all purposes, including voting, confirmation, and distributions under the Plan. A Claim or Interest is classified in a particular Class only to the extent that the Claim or Interest falls within the Class description. To the extent that part of the Claim or Interest falls within a different Class description, the Claim or Interest is classified in that different Class.

To the extent the Bankruptcy Court (or an appellate court of competent jurisdiction) determines that a Secured Claim should not be classified in the same Class with specified other Secured Claims, such Secured Claim shall be deemed to be placed in its own separate Class for purposes of the Plan.

The following table summarizes unclassified Claims and the Classes of Claims and Interests under the Plan:

Allowed Secured Claim Treatment. If the Bankruptcy Court determines that a Non-Compromised Lien/Trust Claimant holds an Allowed Secured Claim, then such Non-Compromised Lien/Trust Claimant shall (i) retain the Lien against the Collateral that secures such Allowed Secured Claim and (ii) receive a Lien against property of Reorganized Mahalo that shall additionally secure such Allowed Secured Claim and shall be senior to the Liens of the Secured Lenders (including with respect to any future advances and any successor or replacement lender to the Secured Lenders) ("Non-Compromised Lien/Trust Additional Lien"); provided, however, that such claimant's Lien, if any, on Suspense Funds securing such Allowed Secured Claim shall be deemed released on the Effective Date and the Non-Compromised Lien/Trust Additional Lien shall constitute the indubitable equivalent for such claimant's Lien on Suspense Funds. The Non-Compromised Lien/Trust Additional Lien and, where noted, any other Collateral securing a Non-Compromised Lien/Trust Claimant's Allowed Secured Claim, shall be subject to the following additional terms:

(A) To the extent such Claim secures an Allowed Secured Claim, the Non-Compromised Lien/Trust Additional Lien shall be *pari passu* with the Liens of other Non-Compromised Lien/Trust Claim Claimants and Williams.

(B) Reorganized Mahalo may grant Liens junior to the Non-Compromised Lien Trust Replacement Lien or any other Collateral securing the Allowed Secured Claim of a Non-Compromised Lien/Trust Claimant.

(C) Reorganized Mahalo shall be entitled to make Permitted Dispositions (as such term is defined in the Wells Fargo Restated Credit Agreement) under the Wells Fargo Foothill Restated Credit Agreement and may, without the prior consent of the Non-Compromised Lien/Trust Additional Lien Claimant, dispose of any Collateral securing the Non-Compromised Lien/Trust Additional Lien free and clear of such Lien so long as the remaining Collateral securing such Non-Compromised Lien/Trust Additional Lien shall have a value, as determined in the most recently completed semi-annual reserve report (and any supplemental report obtained thereafter), exceeding the remaining amount owing on account of such Non-Compromised Lien/Trust Claim by a ratio of no less than 5:1. Within forty-five (45) days following the completion of each fiscal quarter, Reorganized Mahalo shall furnish each Non-Compromised Lien/Trust Additional Lien claimant a written quarterly certificate setting forth Reorganized Mahalo's compliance with this provision for the preceding fiscal quarter and shall reasonably furnish information regarding compliance upon reasonable request.

(D) Each Non-Compromised Lien/Trust Claimant shall provide Reorganized Mahalo with written notice of any default by Reorganized Mahalo hereunder, and Wells Fargo Foothill, Ableco and Reorganized Mahalo shall have three business days to cure such default following such written notice. Such Non-Compromised Lien/Trust Claimant shall simultaneously provide Wells Fargo Foothill and Ableco with cop(ies) of any such default notice(s)

Reorganized Mahalo will satisfy each such Allowed Secured Claim as follows, at the option of Reorganized Mahalo, to be specified in a written notice Filed within seven (7) days following the Allowance Date of such Allowed Secured Claim (in either instance the following treatment shall be in full and complete satisfaction of such Allowed Secured Claim):

(A) Reorganized Mahalo will satisfy the amount of such Allowed Secured Claim in full over a period (the "Class 6 Deferred Payment Period") following the Allowance Date plus simple interest accruing from the Effective Date on the outstanding balance at the per annum rate of LIBOR plus 3%, with principal amortized equally over the Class 6 Deferred Payment Period. Interest and principal shall be paid quarterly, commencing with the first business day of the first full calendar quarter that begins after such Allowance Date. Interest will be adjusted quarterly starting retroactively with the first full calendar quarter following the Petition Date. The Class 6 Deferred Payment Period shall depend upon the aggregate amount of all Allowed Secured Claims in Class 6, pursuant to the following table:

| Aggregate Amount of Allowed Secured Claims in Class 6 | Class 6 Deferred Payment Period |
|--|--|
| \$1,000,000 or less | 4 years |
| \$1,000,001 to \$1,250,000 | 5 years |
| \$1,250,001 to \$1,500,000 | 6 years |
| \$1,500,0001 or more | 7 years |

or

(B) Promptly following the Allowance Date, Reorganized Mahalo, with the prior written consent of Wells Fargo Foothill and Ableco, will transfer without representation or warranty express or implied to the holder of such Allowed Secured Claim the Collateral securing such Allowed Secured Claim.

Allowed Trust Claim Treatment. To the extent pursuant to any such adversary proceeding such Non-Compromised Lien/Trust Claim is an Allowed Trust Claim, the amount of such Allowed Trust Claim shall be paid in full no later than fifteen (15) days after the Allowance Date .

In no event shall any holder of a Non-Compromised Lien/Trust Claim recover more than once on the same Claim. If and only to the extent the Court determines that the same Claim is both an Allowed Secured Claim and an Allowed Trust Claim, the holder of such claim shall be permitted to elect between the foregoing treatments with respect to such claim.

Treatment Of Allowed Unsecured Claims. To the extent the Court determines that a Non-Compromised Lien/Trust Claim constitutes a valid obligation of the Debtor, but that such Claim is not an Allowed Secured Claim or Allowed Trust Claim that is recoverable from any interest in property, such Claim (to the extent an Allowed Claim) will be treated as a General Unsecured Claim under Class 9 and any asserted Lien shall be deemed released and expunged.

Effect of Election under Bankruptcy Code section 1111(b)(2). Notwithstanding the foregoing, if (a) the holder of a Non-Compromise Lien/Trust Claimant timely makes the election provided under Bankruptcy Code section 1111(b)(2), (b) as to the collateral securing the Claim that is the subject of such election, the Bankruptcy Court determines that the value of such holder's interest in such collateral is less than the full amount of such Allowed Claim but is not of an inconsequential value within the meaning of Bankruptcy Code section 1111(b)(1)(B)(i), and (c) the Reorganized Debtor does not elect, with the prior written consent of Wells Fargo Foothill and Ableco, to transfer the collateral securing such Claim to such holder, which transfer shall be in full satisfaction of such Claim, then such holder shall receive deferred payments equal to the Allowed Claim secured by such property over a period not to exceed 10 years from the Effective Date pursuant to a payment schedule to be furnished by the Reorganized Debtor promptly following the Allowance Date, but such payments shall have a present value as of the Effective Date of the Plan equal to the value of such creditor's interest in such property. The present value of such deferred payments shall be based upon a discount rate applied to such deferred payments as determined by the Bankruptcy Court following the determinations set forth above. In such event, the Claim that is subject to such election shall not be treated as a General Unsecured Claim under Class 9. If the Bankruptcy Court determines that the value of such holder's interest in is of an inconsequential value within the meaning of Bankruptcy Code section 1111(b)(1)(B)(i), then any election by such holder under Bankruptcy Code section 1111(b)(2) shall be null and void.

Penn Virginia Claims. The Claims of Penn Virginia MC Energy, LLC, Penn Virginia MC Operating Company, LLC, and Penn Virginia Oil & Gas Corporation, which are Class 6 Claims, will be treated pursuant to the "Stipulation Regarding Resolution Of Disputes Among Penn Virginia Mc Operating Company, LLC, Penn Virginia Mc Energy, LLC, And Penn Virginia Oil & Gas Corporation, Ableco Finance LLC, Wells Fargo Capital Finance, LLC, And The Debtor" [Docket No. 1084] ("Penn Virginia Stipulation"). The Penn Virginia Stipulation is attached hereto as Exhibit H and incorporated herein by this reference.

7. Class 7 (Secured Tax Claims).

Class 7 comprises all Secured Tax Claims. Class 7 is Impaired under the Plan and the holders of Class 7 Claims are entitled to vote to accept or reject the Plan. At the election of Reorganized Mahalo, unless Reorganized Mahalo and the holder of such Claim agree otherwise, each Allowed Secured Tax Claim (i) will be reinstated and paid on the date that such Allowed Secured Tax Claim first becomes due and payable in accordance with its terms, (ii) will be paid cash in the allowed amount of such Allowed Secured Tax Claim on the Distribution Date, or (iii) will be satisfied with a promissory note equal to the allowed amount of such Allowed Priority Tax Claim, bearing interest accruing from the Effective Date at the rate applicable under Bankruptcy Code section 511 or, if no such specific rate is established in conjunction with the Confirmation Hearing, at the Prime Rate in effect on the Effective Date, payable in equal quarterly installments beginning on the last day of the first full calendar quarter following the Effective Date, due no later than the fifth (5th) anniversary of the Petition Date.

Allowed Secured Tax Claims shall continue to be secured by the existing Collateral securing such Claims, until such Claims are paid in full

8. Class 8 (Priority Claims).

Class 8 comprises all Priority Claims. Class 8 is Impaired under the Plan and the holders of Class 8 Claims are entitled to vote to accept or reject the Plan. At the election of Reorganized Mahalo, unless Reorganized Mahalo and the holder of such Claim agree otherwise, each Allowed Priority Claim (i) will be reinstated and paid on the date that such Allowed Priority Claim first becomes due and payable in accordance with its terms, (ii) will be paid cash in the allowed amount of such Allowed Priority Claim on the Distribution Date, or (iii) will be satisfied with a promissory note equal to the allowed amount of such Allowed Priority Claim, bearing interest accruing from the Effective Date at the Prime Rate in effect on the Effective Date, payable in equal quarterly installments beginning on the last day of the first full calendar quarter following the Effective Date, due no later than the fifth (5th) anniversary of the Petition Date.

9. Class 9 (General Unsecured Claims, other than Small Claims).

Class 9 comprises all General Unsecured Claims, other than Small Claims, including Claims for goods and services provided to the Debtor and claims for payment on account of working interests in oil or gas wells operated by the Debtor. Class 9 is Impaired under the Plan and the holders of Class 9 Claims are entitled to vote to accept or reject the Plan.

On the Effective Date, in full and complete satisfaction of their Claims, the holders of Allowed General Unsecured Claims shall receive a pro rata interest in the net proceeds of the Liquidating Trust (calculated after deduction for the professional fees and expenses and the other costs of the Liquidating Trust). To the extent a General Unsecured Claim is allowed in favor of Parent, and either Wells Fargo Foothill or Ableco would be entitled to a distribution thereon in respect of their liens against the assets of Parent, any such distribution will instead be remitted to and for the benefit of the holders of Allowed General Unsecured Claims under Class 9 other than Parent. Wells Fargo Foothill and Ableco shall otherwise reserve all rights with respect to Parent.

As set forth in Section V.D, as of the Effective Date of the Plan, the Liquidating Trust will be vested with the Designated Avoidance Actions. Additionally, on the Effective Date, Reorganized Mahalo will (i) remit to the Liquidating Trust the sum of \$50,000, and (ii) will quitclaim to the Liquidating Trust, pursuant to the Plan, the Specified Assets, free and clear of any Liens, claims and encumbrances of the Secured Lenders; the Liquidating Trust shall be entitled to retain any and all net proceeds from the development or sale of such interests.

Notwithstanding any of the foregoing, if for any reason a Specified Asset is not severable from an asset that does not constitute a Specified Asset, and/or is not transferable to the Liquidating Trust, title shall remain with Reorganized Mahalo but the Liquidating Trust shall have the right to develop and profit from such Specified Asset, provided that the Liquidating Trust bears all costs and liabilities associated therewith and indemnifies Reorganized Mahalo with respect thereto; and provided further that neither Reorganized Mahalo nor any of its other assets that do not constitute Specified Assets shall be liable for any costs or liabilities incurred by the Liquidating Trust.

Subject to the Plan, the Liquidating Trustee shall (i) prosecute, compromise, settle and/or abandon the Designated Avoidance Actions, in its reasonable discretion, for the benefit of the holders of Allowed

General Unsecured Claims, (ii) object to General Unsecured Claims, at its reasonable discretion, (iii) liquidate the proceeds of the Liquidating Trust, and (iv) distribute the net proceeds of the Liquidating Trust to the holders of Allowed General Unsecured Claims, periodically, as determined by the Liquidating Trustee or otherwise set forth in the Liquidating Trust Agreement. All expenses incurred by or on behalf of the Liquidating Trust shall be borne by the Liquidating Trust.

The Liquidating Trust shall succeed to all attorney/client privileges that exist or may be asserted on behalf of the Estate with respect to the Designated Avoidance Actions. All Designated Avoidance Actions have been fully preserved, and the Liquidating Trust shall not be estopped from pursuing such actions. By virtue of the notice of the Modification, the parties identified as potential defendants in clause (ii) of the definition of "Designated Avoidance Actions" shall be deemed to have received adequate notice of the potential claims against them.

Notwithstanding anything to the contrary contained in the Plan, (a) if any Designated Avoidance Action is commenced, asserted, continued or pursued by the Liquidating Trust against any person or entity (such person or entity collectively, "Designated Party") and as a direct or indirect result the Liquidating Trust obtains a recovery (whether by judgment, settlement or otherwise) (collectively, "Recovery") on account of such Designated Avoidance Action and such Designated Party or its subrogee obtains a judgment against the Secured Lenders for indemnification, contribution or reimbursement for all or a portion of the amount of such Recovery, then the Liquidating Trust shall pay over from the Recovery to such Secured Lenders an amount equal to the amount to which the Secured Lenders are required to pay to such Designated Party on account of such judgment for indemnification, contribution or reimbursement; (b) if the Liquidating Trust obtains a Recovery and a Designated Party or its subrogee asserts a right of indemnification, contribution or reimbursement against the Secured Lenders, then the Liquidating Trust shall not distribute to holders of Class 9 Allowed Claims the amount set forth in such demand until and unless such right of indemnification, contribution or indemnification has been waived in writing by the Designated Party or its subrogee, or has been denied by a court of competent jurisdiction pursuant to a Final Order; (c) if the Liquidating Trust obtains a judgment against a Designated Party and, as part of such adjudication, such Designated Party obtains a judgment against the Secured Lenders for indemnification, contribution or reimbursement for all or a portion of the amount of judgment, then the amount of the judgment obtained by the Liquidating Trust against the Designated Party shall be reduced by the amount of any such judgment the Designated Party has obtained for indemnification, contribution or reimbursement against the Secured Lenders; (d) the Secured Lenders that are the subject of any action by a Designated Party seeking to obtain a judgment for indemnification, contribution or reimbursement shall diligently defend such action in good faith at such Secured Lender's own expense. Nothing herein constitutes an acknowledgement by the Secured Lenders, in any fashion, that a Designated Party has any right to assert indemnity, contribution or reimbursement claims against any Secured Lender; the Secured Lenders dispute the existence and validity of any such claims for indemnity, contribution or reimbursement. For purposes of this subparagraph, "Secured Lenders" shall mean the Secured Lenders and each of them, and shall include all affiliates, agents, successors and assigns of any Secured Lender.

By way of clarification with respect to the holders classified as Class 9 General Unsecured Claims, any Claim of any current or former officer and director of the Debtor or Parent for indemnity, contribution, reimbursement or otherwise, including any Claim arising out of or relating to the Liquidating Trust's prosecution of the D&O Actions shall, solely to the extent Allowed, be classified in Class 9. However, the Liquidating Trust may (i) seek to disallow any such Claim on the grounds of untimeliness or any other basis in law and (ii) request that the Court subordinate any such Claims (in which case such Claims shall be treated in Class 11 (Subordinated Claims) under the Plan).

If the Liquidating Trust pays all Class 9 Allowed Claims in full plus twenty-five percent (25%), then if consented to by the Reorganized Debtor in its sole discretion, any property (including cash) remaining in the Liquidating Trust after payment in full of all costs and expenses (including professional fees and expenses) shall be transferred to the Reorganized Debtor for its own use and retention, provided, however, that this subparagraph shall be void and of no effect if its inclusion results in the loss or reduction of any coverage provided under any applicable directors' and officers' liability insurance coverage.

10. Class 10 (Small Claims).

Class 10 comprises all Small Claims. Class 10 is Impaired under the Plan and the holders of Class 10 Claims are entitled to vote to accept or reject the Plan. On the Distribution Date, in full and complete satisfaction of their Claims, Reorganized Mahalo will remit to the holders of Allowed Small Claims cash equal to 30% of such holder's Allowed Class 10 Claim.

11. Class 11 (Subordinated Claims).

Class 11 comprises all Subordinated Claims. Class 11 is Impaired under the Plan and deemed to reject the Plan. In the event the holders of Allowed General Unsecured Claims have been paid the full amount of such Allowed Claims plus interest thereon, as determined by the Court, the holders of any Allowed Subordinated Claims shall receive payment of their claims to the extent there are any available funds in the Liquidating Trust. Any Claim that is classified as of the Effective Date as a non-subordinated Claim under any Class other than Class 11, but that subsequently becomes a Subordinated Claim, shall be deemed reclassified as a Class 11 Claim as of the Effective Date.

12. Class 12 (Interests).

Class 12 comprises all Interests. Class 12 is Impaired under the Plan and deemed to reject the Plan. The holders of Interests in the Debtor will neither receive nor retain property under the Plan on account of such Interests.

III.

OPPORTUNITY TO PARTICIPATE IN O&G DRILLING VENDOR PROGRAM

Each holder of a Claim that accepts the Plan may elect on its Ballot, in lieu of the treatment provided under the Plan for such holder's Claims under the Class(es) in which they are classified, to participate in and undertake the obligations required to participate in the O&G Drilling Vendor Program, which is described on the O&G Drilling Vendor Program Summary attached hereto as Exhibit D (the "O&G Drilling Vendor Election"). Each holder of a Claim that makes the O&G Drilling Vendor Election agrees that in consideration for the undertakings of the Secured Lenders under the Plan, including the funding of amounts necessary to make payments under the Plan, that it shall not assert any Rights of Action against the Secured Lenders or a Related Compromise Party, and that it shall accept the amounts it receives under the program in full satisfaction of its Claims against the Debtor

If such holder of a Claim timely makes the O&G Drilling Vendor Election, the provisions of the O&G Drilling Vendor Program Summary shall constitute the sole satisfaction of such holder's Claim and such holder shall waive any other right to obtain recovery on account of such holder's Claim (and any Lien or trust claim on account of such Claim shall be null and void); provided, however, that the effectiveness of the O&G Drilling Vendor Program shall be conditioned on sufficient participation by O&G Drilling

Vendors that is acceptable to Reorganized Mahalo, which determination shall be made by Reorganized Mahalo and communicated to holders that made the O&G Drilling Vendor Election on or before the Distribution Date. In addition, the right of such holder to participate in the O&G Drilling Vendor Election shall be conditioned on Reorganized Mahalo's determination that such holder renders goods or services that are likely to be utilized in the O&G Drilling Vendor Program, which determination shall be made by Reorganized Mahalo and communicated to holders that made the O&G Drilling Vendor Election on or before the Distribution Date.

If Reorganized Mahalo determines that there is insufficient participation in O&G Drilling Vendor Program such that the program will not become effective, then all O&G Drilling Vendor Elections shall be null and void and such holders shall receive the treatment otherwise applicable to such Claims under the Plan. In addition, if as to any individual holder making the O&G Drilling Vendor Election, Reorganized Mahalo determines that such holder renders goods or services that are likely to be utilized in the O&G Drilling Vendor Program, then such holder's O&G Drilling Vendor Election shall be null and void and such holders shall receive the treatment otherwise applicable to such Claim under the Plan.

Pursuant to the O&G Drilling Vendor Program, participants financing goods and services in respect of a new well to be drilled thereunder will share in a Lien, on a *pari passu* basis, on Reorganized Mahalo's working interest in such new well, to secure Reorganized Mahalo's obligations under the program. Notwithstanding anything to the contrary contained in the Plan, each such Lien will be senior to (i) the Liens of the Secured Lenders, (ii) the Liens granted to secure the Exit Financing, and (iii) the replacement Liens granted hereunder in respect of Suspense Funds under Sections II.C.4, II.C.5, and II.C.6.

IV.

TREATMENT OF EXECUTORY CONTRACTS AND UNEXPIRED LEASES

A. Rejection of Executory Contracts and Unexpired Leases.

1. Rejected Contracts and Leases.

On the Effective Date, all executory contracts and unexpired leases of the Debtor will be rejected, including the contracts and leases listed on the Schedule of Contracts and Leases to be Rejected, provided, however, that the following contracts and leases shall not be rejected as of the Effective Date: (i) the contracts and leases listed on the Schedule of Assumed Contracts and Leases, (ii) contracts and leases already rejected or assumed by prior order of the Court, (iii) Confidentiality Agreements, and (iv) such other contracts and leases as to which the Plan or the Confirmation Order provide otherwise.

The Debtor reserves the right to amend the Schedule of Rejected Contracts and Leases at any time before the conclusion of the Confirmation Hearing to (1) delete any executory contract or unexpired lease and provide for its assumption under the Plan or otherwise, or (b) add any executory contract or unexpired lease and provide for its express rejection. The Debtor will provide notice of any amendment to the Schedule of Rejected Contracts and Leases to the party or parties to the agreement affected thereby.

The Confirmation Order shall constitute an order approving such rejection as of the Effective Date.

2. Bar Date for Rejection Damage Claims.

Any Rejection Damage Claim or other General Unsecured Claim for damages arising from the rejection under the Plan of an executory contract or unexpired lease must be Filed and served on both Reorganized Mahalo and the Liquidating Trustee within thirty (30) days after the mailing of notice of the occurrence of the Effective Date (nothing herein shall extend the deadline for the filing of claims with respect to contracts or leases previously rejected). Any such Claim that is not timely Filed and served will be entitled to no distribution under the Plan on account of such Claim and will be unenforceable against the Debtor, the Estate, Reorganized Mahalo, the Liquidating Trust, and their respective property, and entities holding such Claims will be barred by the Confirmation Order from receiving any distributions under the Plan on account of such untimely Claims.

B. Assumption of Executory Contracts and Unexpired Leases.

1. Assumed Contracts and Leases.

On the Effective Date, the executory contracts and unexpired leases listed on the Schedule of Assumed Contracts and Leases will be assumed, unless any of such contracts or leases previously was assumed or rejected by Final Order under Bankruptcy Code section 365.

The Debtor reserves the right to amend the Schedule of Assumed Contracts and Leases at any time before the conclusion of the Confirmation hearing to (1) delete any executory contract or unexpired lease and provide for its rejection under the Plan or otherwise, or (b) add any executory contract or unexpired lease and provide for its assumption, or assumption and assignment. The Debtor will provide notice of any amendment to the Schedule of Assumed Contracts and Leases to the party or parties to the agreement affected thereby.

The Confirmation Order will constitute a Court order approving the assumption, on the Effective Date, of the executory contracts and unexpired leases then identified on the Schedule of Assumed Contracts and Leases. The Debtor's oil, gas and mineral leases that are listed on the Schedule of Assumed Contracts and Leases do not constitute unexpired leases of non-residential real property or executory contracts for purposes of Bankruptcy Code section 365 and will not be treated as such under the Plan, unless the Court enters the O&G Lease Assumption Order.

2. Cure Payments.

The Schedule of Assumed Contracts and Leases also identifies any amounts that the Debtor believes Bankruptcy Code sections 365(b)(1)(A) or (B) require be paid in order to cure defaults under the executory contracts and unexpired leases to be assumed under the Plan. The Debtor reserves the right to amend the Schedule of Assumed Contracts and Leases, including modifying the proposed Cure Payments, up to the conclusion of the Confirmation Hearing.

As required by Bankruptcy Code section 365(b)(1), any and all monetary defaults under each executory contract and unexpired lease to be assumed under this Plan will be satisfied in one of the following two ways: (a) Reorganized Mahalo will pay to the non-debtor party to the executory contract or unexpired lease the Cure Payments set forth on the Schedule of Assumed Contracts and Leases, in cash on or before the Distribution Date; or (b) Reorganized Mahalo will satisfy any other terms that are agreed to by both the Debtor and the non-debtor party to an executory contract or unexpired lease that will be assumed.

If, however, a dispute arises regarding: (a) the amount of any proposed Cure Payments; (b) whether there is adequate assurance of future performance under an executory contract or unexpired lease to be assumed, to the extent required under the Bankruptcy Code; or (c) any other matter pertaining to a proposed assumption, the proposed Cure Payments will be made within 15 days after entry of a Final Order resolving the dispute and approving the assumption.

3. Objections to Assumption Or Proposed Cure Payment.

Any person or entity that is a party to an executory contract or unexpired lease that will be assumed under the Plan and that either contends that the proposed Cure Payment specified on the Schedule of Assumed Contracts and Leases is incorrect or otherwise objects to the contemplated assumption must File with the Court and serve upon the Debtor, the Debtor's Counsel, counsel to the Creditors' Committee and counsel to the Secured Lenders a written statement and supporting declaration stating the basis for its objection. This statement and declaration must be Filed and served by the later of: (a) ten (10) days before the Confirmation Hearing; or (b) five (5) days after the Debtor Files and Serves the Schedule of Assumed Contracts and Leases, or any amendments to the Schedule of Contracts and Leases (only with respect to an executory contract or unexpired lease added to the Schedule of Assumed Agreements by such an amendment, or with respect to any proposed Cure Payment that is reduced by such an amendment). Any entity that fails to timely File and serve such a statement and declaration will be deemed to waive any and all objections to the proposed assumption and the proposed Cure Payments.

4. Resolution of Claims Relating to Assumed Contracts and Leases.

In accordance with the procedures set forth in Section IV.B.2 relating to Cure Payments, payment of the Cure Payments with respect to executory contracts or unexpired leases that will be assumed under the Plan shall be deemed to satisfy, in full, any and all Claims arising therefrom, including any prepetition claim or Rejection Damage Claim asserted in a Filed proof of claim or listed in the Schedules, irrespective of whether the Cure Payment is less than the amount set forth in such proof of claim or the Schedules. Upon the tendering of the Cure Payment, such Claims shall be deemed satisfied, without further order of the Court or action by any party.

V.

A. Exit Financing.

On and contemporaneously with the Effective Date, Ableco or an Affiliate designated by Ableco will furnish the Exit Financing, which will permit Reorganized Mahalo to continue its operations on and after the Effective Date and satisfy certain Plan obligations on the Effective Date. The Exit Financing will have the following material terms:

Events of Default shall include default under the Wells Fargo Foothill Restated Credit Agreement and the Restated Ableco Credit Agreement.

Cash Dominion: The cash of Reorganized Mahalo shall be maintained in one or more accounts subject to the Blocked Account Control Agreement. For purposes of perfecting their liens in such accounts, the Exit Financing Lenders shall be parties to such Blocked Account Control Agreement, and hold control rights thereunder, subject to the control rights of Wells Fargo Foothill.

B. Funding of the Plan.

All obligations of Reorganized Mahalo under the Plan will be paid or caused to be paid by Reorganized Mahalo from cash on hand in the Estate and the proceeds of the Exit Financing. The cash necessary for Reorganized Mahalo to make deferred cash payments provided for under the Plan will be derived from the post-Effective Date revenues of Reorganized Mahalo and advances under the Exit Financing.

All obligations of the Liquidating Trust to make disbursements to the holders of Allowed General Unsecured Claims shall be funded by the assets of the Liquidating Trust.

C. Vesting of Assets Generally; Suspense Funds.

Except as otherwise provided in the Plan, or in the Wells Fargo Foothill Restated Credit Agreement, the Restated Ableco Credit Agreement and the Exit Financing Agreement, on the Effective Date, all property of the Estate shall vest in Reorganized Mahalo, free and clear of all claims, Liens, encumbrances and interests. From and after the Effective Date, Reorganized Mahalo may operate its business and use, acquire and dispose of property without supervision by the Court, and free of any restrictions of the Bankruptcy Code or Bankruptcy Rules, other than those restrictions expressly imposed by the Plan, the Confirmation Order, the Wells Fargo Foothill Restated Credit Agreement, the Restated Ableco Credit Agreement and the Exit Financing Agreement.

Without limiting the generality of the foregoing paragraph, on the Effective Date: all Suspense Funds remitted to the Debtor but held on deposit pursuant to an order of the Court or otherwise, and all rights to Suspense Funds to be remitted to the Debtor pursuant to an order of the Court or otherwise, shall be released to and vested in Reorganized Mahalo, free and clear of all claims, Liens, encumbrances and interests, in accordance with the applicable release provisions set forth in the Plan.

D. Preservation/Vesting of Rights of Action.

Except as expressly released and otherwise provided pursuant to the Plan, pursuant to Bankruptcy Code section 1123(b), Reorganized Mahalo shall be vested on the Effective Date with and shall retain and may enforce any and all Rights of Action that the Debtor, the Estate and/or the Creditors' Committee may hold or have against any entity, including (i) the Williams Avoidance Actions, (ii) any legal or equitable rights to subordinate and/or disallow Claims (excluding General Unsecured Claims), (iii) any derivative Rights of Action that may be brought by the Debtor or the Creditors' Committee on behalf of the Debtor and/or Estate; and (iv) any and all other Rights of Action of any kind or nature of the Debtor or the Estate that may exist as a consequence of applicable bankruptcy law or nonbankruptcy law (collectively, the "Retained Actions"); provided, however the Retained Actions shall not include the Designated Avoidance Actions. Upon the Effective Date, Reorganized Mahalo and only Reorganized Mahalo shall have standing to assert the Retained Actions and may prosecute, abandon, settle or otherwise dispose of the Retained Actions in its discretion. Notwithstanding the foregoing, the Retained Actions shall not include any claim, right or cause of action released pursuant to the Plan.

Except as expressly released and otherwise provided pursuant to the Plan, pursuant to Bankruptcy Code section 1123(b), the Liquidating Trustee, on behalf of the Liquidating Trust and the holders of Allowed General Unsecured Claims shall be vested on the Effective Date with the Designated Avoidance Actions. Upon the Effective Date, the Liquidating Trustee and only the Liquidating Trustee shall have standing to assert the Designated Avoidance Actions and may prosecute, abandon, settle or otherwise dispose of the Designated Avoidance Actions in its discretion.

E. The Liquidating Trust.

1. Appointment of the Liquidating Trustee.

Pursuant to 11 U.S.C. § 1129(a)(5), consistent with the interests of creditors, and consistent with public policy, the Confirmation Order shall appoint, effective on the Effective Date, the Liquidating Trustee.

The Creditors' Committee will designate and disclose the identity of the Liquidating Trustee prior to the commencement of the Confirmation Hearing. If the Creditors' Committee refuses to do so, the Debtor will designate and disclose the identity of the Liquidating Trustee. The Liquidating Trustee shall consult with the Advisory Committee, but shall be free to act as s/he deems appropriate, in his/her discretion, to effectuate the terms of the Plan as to which s/he has obligations, and the Liquidating Trust Agreement.

The Liquidating Trustee shall serve for the duration of the Liquidating Trust, subject to earlier death, resignation, incapacity or removal as provided in the Liquidating Trust Agreement. If the initial Liquidating Trustee appointed pursuant to the Confirmation Order is not able to serve for the duration of the Liquidating Trust, a successor shall be chosen by the Advisory Committee, subject to Bankruptcy Court approval.

The Liquidating Trustee shall perform his/her duties under the Plan without bond. The Liquidating Trustee shall have no liability to any person or entity entitled to receive a distribution pursuant to the Plan for any losses, damages, claims or causes of action, other than those primarily resulting from the Liquidating Trustee's action or failure to act arising out of, in connection with or resulting from the Liquidating Trustee's gross negligence or willful misconduct. The Liquidating Trust shall indemnify, defend and hold the Liquidating Trustee and his/her agents and advisors harmless from and against any claims, damages, costs, fines, penalties, liabilities, attorneys' and other professional fees and disbursements, suffered, incurred by, or asserted against any such party in connection with the rendition of services to the Liquidating Trust, provided that such indemnification shall not apply to the extent any such claims, damages, costs, fines, penalties, liabilities, attorneys' and other professional fees and disbursements, resulted primarily from gross negligence or willful misconduct of the Liquidating Trustee or his/her agents or advisors, as the case may be, as determined by a Final Order. Any such indemnification claims shall be paid or caused to be paid prior and in preference to any other payments or distributions to be made from the Liquidating Trust.

2. Powers and Duties of the Liquidating Trustee.

Subject to the Plan, the Liquidating Trustee shall (i) prosecute, compromise, settle and/or abandon the Designated Avoidance Actions, in his/her reasonable discretion, for the benefit of the holders of Allowed General Unsecured Claims, (ii) object to General Unsecured Claims, in his/her reasonable discretion, for the benefit of the holders of Allowed General Unsecured Claims, (iii) manage and maintain an accounting of the Liquidating Trust, (iv) file all tax and regulatory forms, returns, reports and other documents required with respect to the Liquidating Trust; (v) distribute the net proceeds of the Liquidating Trust to the holders of Allowed General Unsecured Claims, and (vi) take all actions necessary and create any documents necessary to wind up the affairs of the Liquidating Trust. All expenses incurred by or on behalf of the Liquidating Trustee or the Liquidating Trust shall be borne by the Liquidating Trust.

3. Termination of the Liquidating Trust.

The Liquidating Trust shall terminate when the Liquidating Trustee has performed all of his/her duties with respect to the Liquidating Trust, including the final distribution of all the property of the Liquidating Trust, which date shall not be more than 36 months after the Effective Date; provided, however, that, upon a motion filed by a party in interest, including the Liquidating Trustee, upon a showing of cause, the Bankruptcy Court may extend the duration of the Liquidating Trust so long as shall be necessary to liquidate and distribute property of the Liquidating Trust, but in no event more than 60 months after the Effective Date.

4. Formation of the Advisory Committee.

On the Effective Date, the Advisory Committee shall be deemed established and shall be comprised of all former members of the Creditors' Committee as of the Effective Date who consent to serve on the Advisory Committee. The Advisory Committee shall be entitled to advise the Liquidating Trustee with respect to the liquidation and distribution of the assets of the Liquidating Trust in accordance with the Liquidating Trust Agreement, the Plan, and the Confirmation Order. The Creditors' Committee shall designate the members of the Advisory Committee by Filing a list of such members and serving it on counsel to the Debtor, counsel to Ableco, and the parties that have requested notice pursuant to Bankruptcy Rule 2002, no later than the Exhibit Filing Date. The Advisory Committee shall have no authority other than as expressly stated in this paragraph. The Advisory Committee will dissolve upon the termination of the Liquidating Trust.

F. Claim Objections.

Except as provided in Section II.B.1 above (regarding allowance of Administrative Claims), objections to any Claims shall be Filed and served upon the holder of such Claim no later than the Claim Objection Deadline.

On and after the Effective Date, Reorganized Mahalo shall have exclusive authority to prosecute, compromise, abandon or otherwise dispose of any objection to a Claim, other than a General Unsecured Claim. On and after the Effective Date, the Liquidating Trustee shall have exclusive authority to prosecute, compromise, abandon or otherwise dispose of any objection to a General Unsecured Claim.

G. Distribution of Property Under the Plan.

The following procedures set forth in the Plan apply to distributions made pursuant to the Plan by Reorganized Mahalo or the Liquidating Trustee, in each instance acting as a Disbursing Agent for purposes of this Section V.G.

Each Disbursing Agent will serve without bond and shall make the distributions it is required to make under the Plan, except where otherwise provided. To the extent required by applicable law, each Disbursing Agent in making cash distributions under the Plan shall comply with all tax withholding and reporting requirements imposed on it by any governmental unit, and all distributions pursuant to the Plan shall be subject to such withholding and reporting requirements. Each Disbursing Agent may withhold the entire cash distribution due to any holder of an Allowed Claim until such time as such holder provides the necessary information to comply with any withholding requirements of any governmental unit.

1. Manner of Cash Payments Under the Plan.

Cash payments to domestic entities holding Allowed Claims will be tendered in United States dollars and will be made by checks drawn on a United States domestic bank or by wire transfer from a United States domestic bank. Any domestic entity holding an Allowed Claim that wishes to receive a cash payment by wire transfer shall provide wire instructions to the Disbursing Agent. In any such case, the Disbursing Agent shall make the cash payment(s) by wire transfer in accordance with the wire instructions, provided that the costs of such wire transfer shall be deducted from such entity's distribution. Payments made to foreign creditors holding Allowed Claims may be paid or caused to be paid, at the option of the Disbursing Agent, in such funds and by such means as are necessary or customary in a particular foreign jurisdiction.

2. No *De Minimis* Distributions.

Notwithstanding anything to the contrary in this Plan, no cash payment of less than \$25 will be made to any entity. No consideration will be provided in lieu of the *de minimis* distributions that are not made under this Section.

3. No Distribution with Respect to Disputed Claims.

No payments of cash or distributions of other property or other consideration of any kind shall be made on account of any Disputed Claim unless and until such Claim becomes an Allowed Claim or is deemed to be such for purposes of distribution, and then only to the extent that the Claim becomes, or is deemed to be for distribution purposes, an Allowed Claim. Unless otherwise provided in the Plan, any holder of a Claim that becomes an Allowed Claim after the Effective Date will receive any distribution that it would have received had its Allowed Claim been Allowed as of the Effective Date within fifteen (15) days from the date that such Claim becomes an Allowed Claim.

4. Delivery of Distributions and Undeliverable/Unclaimed Distributions.

(a) Delivery of Distributions in General.

The Disbursing Agent shall make distributions to each holder of an Allowed Claim and Allowed Trust Claim by mail as follows: (a) at the address set forth on the proof of Claim filed by such holder of an Allowed Claim or Allowed Trust Claim; (b) at the address set forth in any written notice of address change delivered to the Disbursing Agent after the date of any related proof of Claim; and (c) at the address reflected in the Schedules if no proof of Claim is filed and the applicable Disbursing Agent has not received a written notice of a change of address. To the extent the Debtor or Reorganized Mahalo has no current address as to the holder of an Allowed Claim or Allowed Trust Claim, Reorganized Mahalo shall withhold the remittance of any distribution to such holder unless and until the applicable Disbursing Agent is notified in writing of such holder's then current address.

(b) Undeliverable and Unclaimed Distributions.

If the distribution is remitted to the holder of any Allowed Claim or Allowed Trust Claim is returned as undeliverable, no further distribution shall be made to such holder unless and until the applicable Disbursing Agent is notified in writing of such holder's then current address. Subject to the other provisions of the Plan, undeliverable distributions shall remain in the possession of the Disbursing Agent making the distribution pursuant to this Section until such time as a distribution becomes deliverable. All undeliverable cash distributions will be held in unsegregated, interest-bearing bank accounts for the benefit of the persons or entities entitled to such distributions. These persons and entities will be entitled to any interest actually earned on account of the undeliverable distributions.

Any holder of an Allowed Claim or Allowed Trust Claim who does not assert a claim in writing for any undeliverable distribution within two (2) years after such distribution was first made shall no longer have any claim to or interest in such undeliverable distribution, and shall be forever barred from receiving any distributions under the Plan, or from asserting a Claim against the Debtor, the Estate, Reorganized Mahalo, the Liquidating Trust, or their respective property, and the Claim giving rise to the undeliverable distribution will be barred.

Any undeliverable distributions on Allowed Claims or Allowed Trust Claims that are not claimed under this Section will be retained by the Reorganized Debtor.

(c) Estimation of Disputed Claims for Distribution Purposes.

Each Disbursing Agent may move for a Bankruptcy Court order estimating any Disputed Claim as to which such Disbursing Agent is responsible under the Plan. The estimated amount of any Disputed Claim so determined by the Bankruptcy Court shall constitute the maximum recovery that the holder thereof may recover under the Plan. In the event that the applicable Disbursing Agent does not seek an order estimating a Disputed Claim, the estimated amount of such Disputed Claim, for purposes of maintaining an appropriate reserve in connection with a distribution, shall be the amount set forth in the proof of claim evidencing the Disputed Claim (or in Debtor's schedules if no proof of claim has been filed), if any.

H. Setoff, Recoupment and Other Rights.

Notwithstanding anything to the contrary contained in the Plan, Reorganized Mahalo may, but shall not be required to, setoff, recoup, assert counterclaims or withhold against the distributions to be made pursuant to this Plan on account of any Allowed Claim, any claims that the Debtor, the Estate, or Reorganized Mahalo may have against the entity holding the Allowed Claim; provided, however, that none of the failure to effect such a setoff or recoupment, the failure to assert counterclaims or withhold distributions, or the allowance of any Claim against the Debtor, the Estate or Reorganized Mahalo, or any partial or full payment during the Case or after the Effective Date in respect of any Allowed Claim, shall constitute a waiver or release by the Debtor, the Estate or Reorganized Mahalo of any claim that any of them may possess against such holder.

I. Cancellation of Interests.

On the Effective Date, without any further action by any party, all Interests in the Debtor shall be cancelled, retired, annulled, and extinguished and of no further force or effect, including each share of Existing Stock issued and outstanding or any other stock held in treasury and no consideration will be paid or caused to be paid or delivered with respect thereto. Holders of such stock shall not be required to surrender such stock to Debtor.

J. Reorganized Mahalo.

1. Board of Reorganized Mahalo.

On the Effective Date, without further action by any party, the existing members of the board of directors for the Debtor shall be deemed removed as directors of the Debtor and replaced with the New Board Members. Following the Effective Date, the membership of the board of directors of Reorganized Mahalo will be determined in accordance with its Articles and Bylaws.

2. Officers of Reorganized Mahalo.

As of the Effective Date, the officers of Reorganized Mahalo will serve at the discretion of the board of directors for Reorganized Mahalo.

3. Articles of Incorporation and Bylaws.

As of the Effective Date, the Articles of Incorporation and Bylaws shall (a) prohibit the issuance of non-voting equities securities as required by Bankruptcy Code section 1123(a)(6), subject to amendment of such Articles of Incorporation and Bylaws as permitted by applicable law, and (b) effectuate the provisions of the Plan, including the cancellation of all Interests and the issuance of New Common Stock, in each case without any further action by the shareholders or directors of the Debtor or Reorganized Mahalo.

4. Terms of the New Common Stock.

Each share of New Common Stock shall entitle the holder thereof to one vote in all matters to be voted on by the shareholders of Reorganized Mahalo. Subject to preferences that may be applicable to any preferred stock that may be issued and outstanding at the time, holders of New Common Stock will be entitled to receive ratably such dividends, if any, as may be declared from time to time by Reorganized Mahalo's board of directors out of funds legally available for that purpose; provided, however, that no such dividends shall be paid until the amounts due under the Wells Fargo Foothill Restated Credit Agreement have been indefeasibly paid in full in cash. In the event that Reorganized Mahalo liquidates, dissolves or winds up, holders of New Common Stock will be entitled to share ratably in all assets remaining after payment of liabilities and the liquidation preferences of preferred stock, if any, outstanding at the time. The rights, preferences and privileges of holders of New Common Stock are subject to, and may be materially adversely affected by, the rights of the holders of any shares of preferred stock that the board of directors of Reorganized Mahalo may designate and issue in the future. Any additional rights, preferences and restrictions associated with New Common Stock shall be determined by the board of directors and shall be set forth in the Articles of Incorporation and Bylaws of Reorganized Mahalo.

5. Securities Exemption.

The exemption from the requirements of Section 5 of the Securities Act of 1933, 15 U.S.C. § 77e, and any state or local law requiring registration or qualification for the offer or sale of a security provided under Bankruptcy Code section 1145 shall apply to the New Common Stock issued and distributed under the Plan.

6. Employee Equity Incentive Plan.

The Debtor expects that promptly following the Effective Date, the board of Reorganized Mahalo will adopt an employee equity incentive plan ("Employee Equity Incentive Plan") pursuant to which a number of shares of New Common Stock of up to 10% of the outstanding New Common Stock on the Effective Date will be available for issuance pursuant to the Employee Equity Incentive Plan.

7. Employee Benefit Plans.

The Reorganized Debtor will establish new employee benefit plans, programs and benefits (other than those pertaining to rights to acquire or receive Interests in the Debtor) containing substantially the same terms as those existing immediately prior to the Effective Date as to persons employed on the Effective Date and retained by Reorganized Mahalo.

K. Dissolution of the Creditors' Committee.

On the Effective Date, the Creditors' Committee shall be dissolved and released and discharged from the rights and duties arising from or related to the Case, except with respect to final applications for

professional compensation. The professionals retained by the Creditors' Committee and the members thereof shall not be entitled to compensation or reimbursement of expenses for any services rendered or expenses incurred after the Effective Date, except for services rendered and expenses incurred in connection with any applications by such professionals or Creditors' Committee members for allowance of compensation and reimbursement of expenses pending on the Effective Date or timely Filed after the Effective Date as provided in the Plan, as approved by the Court.

L. Post-Confirmation U.S. Trustee Fees.

To the extent U.S. Trustee Fees are due and owing under 28 U.S.C. § 1930 with respect to periods following the Confirmation Date, but prior to the entry of a final decree closing the Case, Reorganized Mahalo shall be obligated to satisfy such fees; provided, however, that if Reorganized Mahalo requests the entry of a final decree closing the case and the Liquidating Trustee opposes the entry thereof or requests (formally or informally) a delay in the entry thereof, the Liquidating Trust shall be obligated for all U.S. Trustee Fees relating to any period of time following the date on which Reorganized Mahalo made its request for entry of a final decree.

VI.

K. Headings.

The headings used in the Plan are inserted for convenience only and do not constitute a portion of this Plan or in any manner affect the provisions of this Plan or their meaning.

L. Severability of Plan Provisions.

If before confirmation the Bankruptcy Court holds that any Plan term or provision is invalid, void, or unenforceable, the Bankruptcy Court may alter or interpret that term or provision so that it is valid and enforceable to the maximum extent possible consistent with the original purpose of that term or provision.

That term or provision will then be applicable as altered or interpreted. Notwithstanding any such holding, alteration, or interpretation, the Plan's remaining terms and provisions will remain in full force and effect and will in no way be affected, impaired, or invalidated.
